January 2019! Can you believe it? I hope everyone had a great holiday season. With this new year, there are many changes to our scheduling. Please note them on your calendars now. Have you joined SGNA yet? Our membership is down. (Could you be an SGNA member but chose the wrong Region?) If you ever want to be considered for National and/or State scholarships the first criteria is to be a member of the organization. Also, your cost to attend SIE is reduced and Regional meetings are free. If you shop on the SGNA web site, costs are reduced for members.

Spring into Endoscopy is in full planning mode now. If you or your facility can
donate a basket for the raffle, please let a board member know. When all of the details are set, a brochure will be mailed to the members that we have addresses for and to the facilities that we have addresses for. The brochure will also be put on the web site. Cost will be the same as last year: members $65.00 and non-members $70.00 by pre-registration deadline 3/22/19. Price at door will be $75.00. This includes your $10.00 meal ticket.

The SGNA 46th Annual Course is on April 14, 15 and 16, 2019 in Portland, Oregon. Scholarship applications need to be turned in by 3/30/19. Yes, you need to turn them in before or at Spring into Endo. Have you met the criteria? Membership, attendance at meetings and volunteering?

Regional dinner/CE meetings will be held on June 11 and November 12, 2019. We will need teams to host these meetings.

In August, there will be a new meeting. It will be 4 hours. The venue and exact date are still being worked out. We will need 4 speakers (another opportunity for you to volunteer and earn CEUs). Details will be shared as soon as we have them.

The world of Endoscopy is constantly changing. We all need to stay current with standards of care, infection prevention and treatments available to individuals with GI issues. Come join your local Greater Orlando SGNA/Region 14 for learning opportunities.
